How to place an Order

Here at Search Press we are delighted to receive orders in any shape or form, anything from an organised spreadsheet to a note scribbled on the back of an envelope is acceptable provided that the title and quantity is clear… **BUT**, if you would like some guidelines, our preferred methods are listed below:

→ **Use the Website: www.searchpress.com/trade**

This is by far the quickest and most accurate way to place an order. If you have not used our website before, you will just need your **account number** and your **email address** to activate your account. We will keep a track of your "favourites", so each order you place will get quicker and easier, and you will also be kept up-to-date with our latest titles and see our current bestsellers.

→ **Download the Order Form as an Excel Document**

Our current order form is available in Excel format. Download it from www.searchpress.com/trade under **Info to Download**. Once completed, email this through to sales@searchpress.com

→ **Email the order to sales@searchpress.com**

You may already have a bespoke ordering system. If this is the case, just email the order in any form you find suitable to sales@searchpress.com

→ **Annotate the Order Form PDF and return by Email**

For the technically minded: download a copy of the order form from our website (see above) and annotate the PDF with your requirements. This can be done in Adobe Acrobat using the Add Text Comment tool in Annotations, or by using Add Text Box in Drawing Markup. Of course, these instructions will vary according to which version of Acrobat you are using. Attach the PDF to an email and send to sales@searchpress.com

→ **Write on this Order Form**

Post it to: Search Press Ltd, Wellwood, North Farm Road, Tunbridge Wells, Kent TN2 3DR. Don't worry, we will send you a new order form with your order.

→ **Telephone your order to 01892 510850**

→ **Fax your order to 01892 515903**

We find carrier pigeons a little unreliable, and the dogs are not particularly keen on them, but they are still welcome…
