INFORMATION

Main Description

Learn how to make 20 cute kitties using easy techniques and inexpensive materials. The techniques are explained with easy-to-follow instructions, and no previous experience of sugar crafting is needed. The materials used are widely available from major cake suppliers. These characterful cats include a Siamese, a Burman, a Ragdoll and lots of moggies including a ginger tom, a tabby and a tortoiseshell. There are also some very cute kittens to make. The author makes this very easy, with all the component parts pictured and very clear step-by-step instructions, plus an informative section at the beginning on tools and materials.

Key Selling Points

· A new sugarcraft title for the 20TM series
· Follow-on to the highly successful 20TM Sugar Dogs
· Tried-and-tested successful and popular author

Author

Frances McNaughton's sugarcraft books have become international bestsellers. She has been a tutor and demonstrator for many years, teaching all aspects of sugarcraft to students from beginner to advanced level. She travels all over Europe providing demonstrations and workshops for exhibitions, shops, groups and clubs and has fans in the US, Australia and New Zealand through her online tutorials and sugarcraft products. Frances has made sugarcraft props for the films Notting Hill, Chocolat, Charlie and the Chocolate Factory and three of the Harry Potter films. www.franklysweet.co.uk
