Key Selling Points

- All designs are suitable for home free-motion quilters, quilters with longarms, and those with embroidery or domestic machines
- Innovative and fresh, the quilting designs provide a vast array of texture and rhythm
- Includes instructions on how to use the digitized designs and guidance for free-motion quilters.

Description

Featuring 98 modern quilting designs, *Quilting Rhythm* is filled with imaginative and sophisticated patterns for home free-motion quilters and those who use digital designs. Each design includes a digitized file.

About the Author

A popular and inspiring teacher, Thomas Knauer began his career teaching design at Drake University before turning to quilting. He has designed fabrics for several leading manufacturers and his prize-winning quilts have been exhibited in quilt shows and museums across the country, including the International Quilt Museum and the Quilt Festival in Houston. He is the author of three books, including *The Quilt Design Coloring Workbook*. He lives in a small village in Upstate New York with his wife, two children, a rabbit and a dragon.
