

# DIRECT DISPATCH FROM

SEARCH PRESS LIMITED

The world's finest art and craft books

## SELL MORE ART AND CRAFT BOOKS - WITHOUT TYING UP EXTRA SPACE OR CASH!

### HOW DOES DIRECT DISPATCH WORK?

- You take a data feed from us to populate your website so that you can offer your own online bookshop. Your customers will see book details, jacket images, search inside functionality (where available), stock availability and reviews – everything we provide on our own consumer site.
- You choose whether you want to offer a targeted selection of our books or our whole range. We also stock great titles from other publishers, so you can offer your own branded one-stop online art and craft bookstore.
- Your customers are buying from you. You take payment, you set prices – we simply dispatch on your behalf.
- You send us an electronic file telling us which book(s) to send where. Orders are usually sent via Royal Mail (or Parcelforce if they are over 2kg). We aim to dispatch within 48 hours of receiving your order, meaning your customer receives their book(s) within five working days.
- We invoice you at 25% off of RRP and post free on UK orders. Direct Dispatch is not currently available outside the UK. At the end of the month we send you a statement detailing all dispatched orders – you simply settle the amount shown.

**NB: We take the GDPR laws very seriously; your customers remain yours – we don't store their details or contact them directly.**

We're happy to walk and talk you through the process.
