A lot has changed at Rankin's General.

Valerie is the new manager and her cousin Rollie has moved on to open a B&B with his librarian lady friend Catherine. Their new inn seems to be the perfect venue for the Gasper's Cove Crafters latest scheme— a weeklong sewing and crafting retreat.

The Crafters are enthusiastic and start to organize and advertise, but the morning that classes are due to start, they find out their event has been double-booked with

a food truck rally, a corporate getaway, and a top-secret romantic weekend.

It's chaos. Valerie knows it's up to her to restore order. But how? She's already lost all extension cords, someone's fiancé, and at least two event managers, maybe one to murder. Just when she's about to give up, help arrives from a most unexpected source, but at what price?

Valerie's most ambitious project yet may be her last.

6 STEPS TO START A BOOK CLUB

Running a book club in your shop can be an excellent way to engage with your community, boost customer loyalty, and create a unique atmosphere in your store. Book clubs provide numerous benefits, from increased foot traffic to fostering a sense of belonging among patrons. If you're considering starting one, here are six steps to help you run a successful book club in your shop.

1. Choose a quilting cozy or crafty mystery series

Select a series tailored to your shop's offerings, your customers' interests, or even the time of year. Whether it's a cozy mystery from Barbara Emodi's *Gasper's Cove Mysteries* or a quilting cozy from Ann Hazelwood's *Door County Quilts*, or Carol Dean Jones' *A Quilting Cozy*, having a theme attracts like-minded readers and ensures a more enjoyable experience.

2. Create a reading list

Based on the selected series, create a reading list that doubles as a shopping list for those interested in joining. Be sure to promote the book club well before meetups begin. You can also see this step as a merchandising opportunity; offer bundles of books and stationery (for note-taking!) that match the book club theme.

3. Set a Regular Meeting Schedule

Consistency is key. Choose a meeting schedule that suits your customers and your shop's operations. It could be monthly, bi-monthly, or quarterly. Promote these dates well in advance so readers can plan to attend. This is also great for building store loyalty and engagement.

4. Promote Your Book Club

Use online and in-store promotions to spread the word about your book club. Create eye-catching posters and bookmarks, share information on your website and social media platforms, and encourage your staff to discuss the book club with customers. If you start a book club with a C&T book, let us know so we can help promote it, too!

5. Use the Reader's Guides for Engaging Discussions

During the book club meetings, use the Reader Guides to facilitate lively and engaging discussions. The Reader's Guides can be found at the back of the C&T fiction book or on the C&T Publishing website. If you do not see a Reader Guide in either the physical book or website, you can email us at ctinfo@ctpub.com for one. You can prepare additional discussion questions in advance to get the conversation going. Encourage members to share their thoughts, ask questions, and provide a welcoming atmosphere for open dialogue.

6. Build a Community

Beyond the books, focus on building a community of readers. Create a sense of belonging by allowing members to suggest future book selections, create a Facebook Group for the book club, host themed events, or invite local authors for book signings or Q&A sessions. The stronger the sense of community, the more likely your book club will flourish.
