If you have not used our website before, you will just need your **account number** and your **email address** to activate your account. → Email the order to sales@searchpress.com

You may already have a bespoke ordering system. If this is the case, just email the order in any form you find suitable to sales@searchpress.com

→ Annotate the Order Form PDF and return by Email

For the technically minded: download a copy of the order form from our website (see above) and annotate the PDF with your requirements. This can be done in Adobe Acrobat using the Add Text Comment tool in Annotations, or by using Add Text Box in Drawing Markup. Of course, these instructions will vary according to which version of Acrobat you are using. Attach the PDF to an email and send to sales@searchpress.com

We find carrier pigeons a little unreliable, and the dogs are not particularly keen on them, but they are still welcome...
