WELCOME TO THE SEARCH PRESS 2021 NEW BOOKS CATALOGUE

CELEBRATING 50 YEARS OF SEARCH PRESS

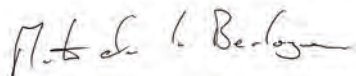

I'm delighted to be presenting you with our latest catalogue featuring all new Search Press titles publishing between February and July 2021.

2020 saw Search Press reach our 50th anniversary in circumstances none of us could predict. But we're proud to have kept providing artists and crafters the world over with our beautiful and inspirational books and to have supported our friends in retail in the most challenging of times. Let's hope 2021 sees us all back on track towards something more 'normal'.

It's always tough choosing new book highlights when I'm immensely proud of every book we publish. Personal favourites in craft this year include Monica Russel's *Nordic Knits for Children* (page 39); Julia Hincks' *The Coverstitch Machine Manual* (page 24); *Modern Mending* by Erin Lewis-Fitzgerald (page 23) and Debbie Shore's wonderful *Sew Eco-Friendly* (page 22). Art and drawing sees the quirky *Sketch your Best Self* by Amy Blackwell (page 17); the next book in the best-selling series *Kawaii: How to Draw More Cute Stuff from Around the World* (page 16) and the sumptuous wildlife paintings in *The Art of Angela Gaughan* (page 5). But please, you pick your own favourites!

On pages 46 – 49 you'll find more beautiful and inspiring books from our friends at David & Charles. We're proud to be their exclusive distributors for the UK art and craft trade.

Kind regards,

Martin de la Bedoyere
