WELCOME

I'm delighted to be introducing our Autumn catalogue as we head into an exciting time of year for book sales. Since our Spring 2021 catalogue there have been further steps towards a new normal and we've been thrilled to welcome staff back to D&C headquarters, working a mix of home and office working.

We enjoyed a strong launch of our online membership website [Bookmarkedhub.com](https://bookmarkedhub.com), packed full of engaging content, allowing us to connect directly with our readers online.

As we enter the last quarter of 2021, we bring you a host of superb titles including *Elemental Macrame*, a book that embraces the ever growing trend of bridging craft and mindfulness. As well as John Howe's *Ultimate Fantasy Art Academy*, a fascinating title timed to launch ahead of the, Amazon Prime commissioned, *Lord of the Rings* series.

Early 2022 titles see us continue to build on both category and series strengths while tapping into the trends our content team continuously identify. These titles include *Cross Stitch for the Heart*, the third in this hugely successful series. *Watercolour for the Soul* revisits the tranquillity of mindfulness in art, while *Anti-Burnout Journal* allows us to tackle the threat of burnout experienced by so many. And of course *Knit Like a Latvian: Accessories*, building on this bestselling series that our readers have loved.

Our search for trends continues, showcased in titles such as *Creative Resin* and *Crochet Donut Buddies*. Always exciting to work on these trend led titles and you will see how much the team enjoyed this through the look, feel and photography. These plus many more titles await you in the pages of this catalogue. We hope you enjoy reading through our publishing list as much as the entire D&C team have enjoyed bringing it to you.

As we go into the holiday season, I wish you all the best personally and with your business during this important time.

Regards,

James
