## WELCOME

Turning the page to a brand new year of publishing is a time to reset and reflect on the year just gone, and to look ahead with energy and excitement for what's to come. Despite difficult trading conditions in 2022, we enjoyed a strong sales performance and record growth, with some truly exceptional titles. And we had fun doing it. It's not always smooth sailing but it's always a joy to see the team get such a kick out of the work they do.

The Spring 2023 list is packed with creative potential. We are happy to be expanding our publishing partnership with The Pokémon Company with not one but two new Pokémon craft books. *Pokémon Crochet Vol 2* is a follow-up to *Pokémon Crochet* (over 35,000 copies sold), while *Pokémon Cross Stitch* sees official Pokémon patterns in this craft for the first time.

Building on the success of *Crochet Iconic Women* – which has supported our charity partner The WONDER Foundation to the tune of over  $\mathfrak{L}7500$  towards their work to empower women and girls around the world – Carla Mitrani returns with a new collection in *More Crochet Iconic Women* and by some sorcery has made it even better than the first!

Alongside our established craft list, our wellbeing list is growing at pace, with some beautiful books for 2023. *The Magic of Seeds* and *The Wildlife Gardener's Almanac* are a pair of garden gems, while *The Tarot Spreads Yearbook, Listen to the Universe* and *The Handmade Grimoire* all promise to help readers better understand themselves and their place in the world in new and creative ways.

Finally, in art, you'll find some unique titles that meet at the intersection of creativity and wellbeing, with *Sacred Art*, which takes mindful painting to a new spiritual level and *Snippets: 52 Weeks of Diary Comics*, which explores autobiocomics as a means of self-expression.

As ever, the creativity of the bookseller plays an important role in the success of our business that we do not underestimate. Thanks for taking the time to browse this catalogue and for selecting our titles for your customers.

Ky Garvey

Publication Date: Mar-23 9781922539441 | £10.99 254mm x 241mm | 32 pages Hardback

Easy Peasy follows Ruby, who has just received sparkly roller skates as a present from her dad. Ruby is convinced it will be easy to learn how to roller skate and dismisses her dad when he offers to help her. But after a few tumbles, Ruby realizes it isn't as easy as she thinks and that she might need his help after all! Embracing themes of independence, perseverance, and family relationships, Easy Peasy is a fun, engaging story for children learning how to do something for the first time.

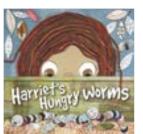

#### MAMA'S CHICKENS

Michelle Worthington

Publication Date: Apr-23 9781922539458 | £10.99 255mm x 241mm | 32 pages Hardback

Award winning author uses backyard chickens to give us a child's-eye view of early-onset dementia. As Mama loves and cares for her chickens, her kids learn lessons about disability and acceptance. Children will relate to the endearing chickens, while the author uses her own experience to depict early-onset dementia in a realistic but age-appropriate way. Dementia doesn't only affect the elderly; this story shines a supportive, much-needed light on a reality many families face.

Alison McLennan

In Birdie Lights Up the World, Birdie the penguin believes she is the chosen one who lights up the

### **ANCHORED**

Debra Tidball, Arielle Li

Publication Date: Jul-23 9781922539496 | £10.99 255mm x 245mm | 32 pages Hardback

In this sensitive tale, Tug and Ship are connected by bonds of love despite being oceans apart. In a

world where so many parents are separated from their children for periods

of time due to work and/or living arrangements, sometimes the sense of attachment can feel a little vulnerable. Anchored is a reassuring book, reminding children that their attachment with their parents/caregivers can sustain time apart: they are firmly anchored in each other's hearts.
