Welcome

This catalogue covers a diverse array of subjects and themes, but it strikes me that so many of the books this season are an invitation to deepen our connection with the natural world. We all know the benefits that time spent in nature can bring and this sense of mindfulness, creativity and inner calm is encapsulated in a wide range of our titles this spring.

In **Crafts**, connect with the fibre traditions of Scandinavia in a fresh way and enjoy the view of the fjords in *Knit Modern Scandi Sweaters*; explore the powerful message of protecting our planet with *Crochet Dolls Inspired by Nature*; celebrate the biodiversity of bird life in *Edward's Menagerie Birds*; master plant-based dyeing with *The Natural Dye Handbook*; bring nature indoors with an everlasting bouquet, in yarn or paper with *Crochet a Flower Bouquet* and *The Bouquet in a Book*; and embroider spectacular garden scenes in *Paint with Thread: In the Garden*.

In **Art**, follow Dianne Sutherland's guidance to start a botanical sketchbook in *Sketching Nature*; discover Jennifer Mullin's nature-inspired abstracts and more in *Me and My Ballpoint Pen*; and allow Alex Boon to improve your drawing skills, whether on a walk or from photos at home, in *How to Draw a Tree* and *How to Draw a River*.

In **Wellbeing**, our new Verbena imprint sees Polly Pollock take us on a walk in the forest to discover our shadow side in *Shadow Work for the Soul Searcher*; Clare Gogerty lead us through the simple skills and recipes to make the most of the everyday plants around us in *The Little Wild Library*; Margaret Baker unlock the secrets of maritime tradition in *Folklore of the Sea*; Samantha Hadadi help us explore and understand our own nature in *Hormone Goddess*; and Joey Hulin take us on a self-led retreat in *Retreat Yourself*.

In **Motoring**, our Veloce imprint offers to chance to feel the wind in your hair and take the scenic route... OK, I know... it's difficult to take the nature theme all the way, but do make sure you check out the excellent titles covering Formula 1, Corvette, Toyota, Mercedes and more with this season's fine automotive books.

So buckle up, hit the road, and let nature's wonders inspire you.

Wellbeing, Lifestyle & Nature

VERBENA

I'm delighted to introduce the Lifestyle and Wellbeing books publishing in Spring 2025, with the exciting news that these titles will publish under our new imprint name – Verbena.

Verbena is a beautiful flowering plant that symbolizes healing, protection, and enchantment. In the Victorian era, the verbena plant was believed to have the power to heal both emotional and physical wounds – so we can't imagine a more fitting name for our Wellbeing imprint.

Verbena will explore a wide range of wellbeing and lifestyle topics, with a focus on wellness, self-care, and nature. We'll be looking at mindfulness and meditation, personal development, and the stories and narratives that can give us a deeper and richer understanding of the natural world and our place in it.

We believe that the way we live is a reflection of our values and aspirations and our goal with Verbena is to provide readers with the tools, inspiration, and knowledge they need to create a life that is uplifting, rewarding, and enriching.

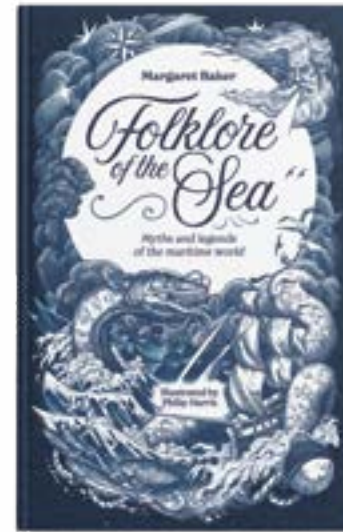

Whether you're looking for practical advice, inspiring stories, or simply a way to escape the everyday, Verbena will have something to offer. From January 2025, you'll start to see our new name and branding rolling out and we can't wait to share more on our social media channels.
