Description

Enter a world where nature is re-created with such incredible realism, one can scarcely tell the art from the original. This is the world of Julie Kniedl and her astonishing three-dimensional embroidery.

Discover and learn this innovative, three-dimensional embroidery style and create spectacular botanical pieces, inspired by beautiful garden specimens.

Twelve stunning projects are included, using simple stitches and a handful of techniques to create elegant and realistic interpretations of natural subjects. Each piece is captured with stunning photography and detailed instructions are provided for every step.
