Description

Introducing a brand new series of books from Inspirations – *The Design Collective*. In this first volume, Pincushions have been given a makeover. Each designer was given the same brief. There were no rules. No guidelines. The only criteria: the final project must house pins and needles.

The result? The most imaginative, clever, and artistic pincushions you have ever seen.

There are 12 projects included:

- Ivy by Margaret Light
- Celeste Fig by Christine Burton
- Daisies & Forget-me-nots by Ana Mallah
- Sweet Strawberry by Victoria Laine
- Fragments by Anna Scott
- Norwegian Lace by Di Kirchner
- Sacred Flower by Margaret Lee
- Nodding Greenhood by Alison Cole
- Cho Mon by Jane Nicholas
- Sweet William by Hazel Blomkamp
- Deerfield by Deborah Love
- Bargello & Blackwork by Betsy Morgan
