Description

Amigurumi is the Japanese art of crocheted stuffed animals, most of which come with exaggerated features for extra lovability. Included in this kit is a book of 12 patterns for irresistibly-adorable animals, an introduction to crocheting basics, and all the supplies crafters will need to make two animal friends: a plump tropical fish, and a goofy beaver with a felted tail.

About the Author

Kristen Rask owns the toy boutique Schmancy in downtown Seattle, Washington USA. She's a longtime crafter and the author of *Woodland Crochet*, *Creature Crochet*, *Yummy Crochet*, *Plush You!* and *Button and Stitch*.
