Description

Craft adorable, trendy felt miniatures with this book of step-by-step tutorials and projects, featuring beautiful photos that illustrate easy felting techniques.

From self-taught artist Delilah Iris, *Sew Cute!: Tiny Felt Cuties & Creatures* includes 20+ patterns for making tiny animals, dolls, dollhouses, props, adorable gifts, and miniature play sets. The projects can be created as stand-alone finished works, but they can also be used to complement each other in a complete set for use in a tiny miniature world!

If you have been looking for new crafting techniques to learn at home, and don't want to buy a lot of tools and materials, creating felt miniatures is the perfect choice. Felting does not require a sewing machine and can be done using simple hand stitches and embroidery, both of which are demonstrated in the book along with stylized photo tutorials. Also included are detailed doll patterns, suggestions for where to source materials, and much more.

Sew Cute!: Tiny Felt Cuties & Creatures will help you create your own tiny world of animals, dolls, fairy houses, and more.
