Description

"Kawaii" is the Japanese word for "adorable", "cute", or "lovable" and has grown from a national trend to a worldwide phenomenon. *Kawaii Craft Life* takes advantage of this growing and popular movement, with a focus on embroidery, cross-stitch, and feltcraft.

The book features approximately 35 kawaii-style projects from a fudge pop plushie and coffee cup cozy to a succulent smartphone cover and a narwhal brooch. The adorable projects are showcased by more than 35 beautiful full-colour photos and step-by-step illustrations. Templates and instructions for each project are included, making it easier than ever to create super-cute gifts with a kawaii touch.
