Description

The steps and diagrams walk you through the process of creating sweet little kitty items such as: spotted kitties to attach to a pendant, key chain or strap; a sleeping cat pouch to hold pencils, glasses or other small bits; an irresistible roly poly cat toy (illustrated lessons included); a Maneki Neko Japanese good luck cat to preside over your bedroom or workstation; and many other little cat-themed items!

The projects in this book are simple and fun to make and use, and make ideal gifts. Illustrated instructions for executing the stitches used in the projects are included. Amigurumi has never been this cute or this easy!
