### Description

Paper folding crafts are fun for all ages! You'll be amazed at what you can create with pretty paper and a few strategic folds. Colorful Fröbel stars can be used as ornaments, table decorations, candle holders, and more, and a variety of other shapes make festive gift toppers, toys, mobiles, and garlands. Step-by-step, illustrated instructions show you how to make more than 30 different designs. Projects range from simple to complex, so there is something for everyone. Paper crafts build creativity, basic mathematical principles, and fine motor skills.

### About the Author

Armin Täubner is the author of more than 25 books on origami and other paper crafts.
