Description

Pin looms are hot! These palm-sized weaving looms go anywhere and make just about anything you can imagine, from fashionable wrist cuffs to full-sized blankets. Just drop a pin loom in your project bag with a ball of yarn and you are on your way to fast, fun weaving.

Margaret Stump, author of the original *Pin Loom Weaving*, has outdone herself with the 25 designs in this new book. There are elegant wraps, a fun fox bag, an American flag blanket, pillows, pins, stylish scarves, and more--all in a modern style that says "hand crafted with pride."

With beginning weavers in mind, Margaret first walks you through how to weave on a 2" and 4" loom. Once you know how to make a basic square and connect your pieces, you are well on your way to making any of the projects in this book. The book divides projects into those that use a 2", 4", adjustable fine-gauge, and even a pot holder loom, and those that combine pieces from different looms, so it is easy to find a project and get started.

Pin looms are readily available in a variety of sizes and materials. Choose a favourite pattern and a suitable pin loom, and start weaving anywhere and everywhere today!
