**Main Description**

Loom knitting—the art of creating woven fabric using pegs and a hook instead of traditional knitting needles—is quicker and easier on the hands than knitting, but the results are just as lovely! The easy-to-follow lessons in this book start with the basics and progress to more complex techniques—an invaluable visual reference for loom knitters of all levels. Thirty stylish projects include cowls, infinity scarves, beanie and slouchy hats, boot cuffs, fingerless mitts, designs for the home, and an elegant shrug.

**Key Selling Points**

- Lessons cover basic stitches, using multiple colors, increasing, decreasing, twists and cables, and more
- Easy to learn; you can complete Lesson 1 and your first project in the same day!
