Description

At last, an easy way to add gorgeous colour to your metalwork without the use of a kiln! Armed with coloured pencils and a few simple techniques, you can have the beautiful look of enamelled jewellery in much less time.

Copper is an affordable option for metalwork, and with the techniques in this book, you can add endless colourful designs to your necklaces, bracelets, earrings, and brooches. By following the illustrated instructions, you will be able to draw and colour any design you like onto your jewellery with just a few easy-to-find tools. Give colouring a try on the 10 included projects, or branch out with your own ideas. Once you have mastered the basics, you will have opened a whole new realm of creative options for your jewellery designs.
