Description

A gorgeous colour or texture pattern beckons to a designer to try it out in different ways. Should it be used for a hat, a sweater, a cape? In this book, designer Toby Roxane Barna allows her imagination to explore the variations and has produced pairs of designs - a sweater and a shawl - sharing at least one similar design element. For example, a lace pattern from a shawl may be used to form the yoke of a sweater or a button band and hem on a cardigan. An expert in using colour to maximise the 'wow' factor, Toby has outdone herself with this exquisite pattern collection.
