Description

Surround yourself with beautiful knits in every room in your house! Patterns are styled and grouped by room to create a unified look for your Living Room, Porch, Master Bedroom, Guest Bedroom, Office, Kid's Bedroom, and Nursery. All pieces are knit with big needles and easy-to-learn stitch patterns, so you can be enjoying your knits in no time.

Every room has at least one textured chunky blanket for comfort; other patterns include cushion covers, pillows, baskets and others, all in coordinating stitch/style and colours.

The sumptuous knits are shown styled in a modern, neutral palette that works well in any decor, but if your style is more colourful, the patterns are classics that will work in any colour scheme you choose.
