## Description

Complete instructions, patterns, material lists, and step-by-step photos for 18 projects - panels, boxes, candleholders, sun catchers, ornaments, and more - all suitable for beginners. These great looking designs use the newest styles of glass - many reflecting the contemporary look currently popular on Etsy and Pinterest. With this companion to Stackpole's *Basic Stained Glass Making*, you can use your new skills to create beautiful stained glass art.

For each project, finished project photos, full-size pattern, materials list, and technique photos and instruction are presented, along with variations of some patterns. Includes expert advice for the basic techniques of glass cutting, grinding, foiling, and soldering.
