Illustrations	165 Colour illustrations
Publisher	Stackpole Books
Classification	Knitting Designs
BIC CODE/S	WFBS
SALES REGIONS	Worldwide excluding North America, Australia and New Zealand

Description

Knit the sweaters of your dreams!

Rita Maassen's easy-to-use system for interchanging the elements of basic sweater designs is genius and will have you making sweater after sweater to your own specifications. The book begins with six basic pullover designs, then the author explains her system for mixing the elements — necklines, armhole style, silhouette, colour and texture patterns — and gives you the instructions for each different design element. Finally, she puts her system into practice in 23 unique sweater designs, giving the full instructions for each. You may then either follow these patterns as written, or do your own mixing and matching to create your own unique sweater pattern. Over 70,000 different sweaters are possible with the options presented!

About the Author

For Rita Maassen, designing is a passion: the trained web and graphic designer has been enthralled with knitting since childhood. Very early on, she became enthusiastic about creating her own designs, and ever since then, she has been creating new knitting designs in her small studio in Germany's Lower Rhine region. Since 2010, she has been offering her handmade fashion and numerous knitting patterns under her own Fashionworks label.
