Description

Embroidering your own clothes with the exact design you'd like adds a fun hint of personality to your wardrobe - try stitching dogs, flowers, slogans or patterns on to any garment.

Using a range of stitches, techniques, materials and designs, *Customize Your Clothes* guides you through which tools to use, which stitches work best with certain designs, and also teaches you how to embellish with a range of materials to add a special personal statement to your items that costs next to nothing.

Projects such as a plant T-shirt, a monogrammed sweater and a fun star hat make up this collection of ideas and inspiration for personalising your wardrobe. Even learn to decorate an old sweater with pom poms and cut shapes out of a pair of jeans you've had lurking in the back of your cupboard - the possibilities are endless, you just need some thread, a needle and a bit of inspiration!

By customising your clothes you will have your own unique collection of items all embroidered to your taste, colour, style and design - hand-stitched by you.
