Key Selling Points

- From award-winning embroiderer and best-selling author, Yvette Stanton
- Discover the beauty and history of Norwegian pattern darning
- Learn all the stitches and techniques you need to get started
- Create 13 beautiful practical pieces, from small through to large.

Description

From the award-winning embroiderer who introduced you to some of the world's most exquisite forms of traditional embroidery, comes a how-to guide full of colourful images and enticing projects to help you discover the beauty of Norwegian pattern darning. Pattern darning is a simple technique, and beginners through to experienced stitchers will find much to delight in this book.

In Yvette Stanton's book *Smøyg*, you will explore where *smøyg* can be found in Norway and where it features on traditional clothing and textiles. Enjoy many photographs featuring historical examples of *smøyg* and learn its stitches and techniques with clear step-by-step instructions and detailed diagrams. Be inspired by 13 original projects, from small through to large, with a range of useful and beautiful applications.

If you love colourful, geometric folk embroidery, this is the book for you.

About the Author

Yvette Stanton is the publisher and designer behind Vetty Creations. Yvette has written several best-selling embroidery books and is an accredited tutor with the Embroiderers Guild of NSW, teaching embroidery classes at shops and guild groups around Australia. She's also an award-winning embroiderer with over 15 years' experience of producing beautiful intricate embroideries. Yvette lives in Sydney, Australia.
