Main Description

Be prepared for 49 fine-feathered friends to fly off your hook and put their feet up on your coffee table. Kerry Lord's Edward's Menagerie was a runaway success and now she's back with Birds.

You'll be happy as a lark when you crochet your way through this colourful collection of birds, including a bashful Flamingo, romance-writing Owl and a politically correct Pheasant. Read all about these kooky characters, their adorations and aversions, daydreams and delusions, then crochet them for friends and family. Each bird can be crocheted in four different sizes making over 160 different pattern possibilities - so pick your first projects and get started! The patterns use basic stitches, are grouped by difficulty and include step-by-step technical guides for beginners, so there's no excuse to chicken out.
