### Description

Create beautiful Christmas wreaths and garlands for your home with this festive collection by designer Mandy Shaw.

Mandy shows you how to make six basic wreaths and garlands using inexpensive materials such as old coat hangers and scraps of fabric, which she decorates with a whole host of seasonal characters and motifs including snowmen, robins, reindeer, Christmas trees, holly, candy canes and many more.

The instructions show Mandy's quick and clever way to stitch her felt characters which can also be used to create individual Christmas decorations for the tree as well as being used to decorate the wreaths and garlands. With this simple technique you can create lots of festive decorations in no time.

These stunning wreaths and garlands also make perfect gifts when visiting friends and family over the Christmas period.
