### Description

There's something about the cosiness of felt that says Christmas: the deep, intense colours lend themselves to the richness of the season.

The projects in this collection are hand sewn or glued for stunning results and can be made up in just a couple of hours - what could be easier?

As well as a gingerbread house, holly candle ring and mini Christmas trees, you'll find candy cones, a mistletoe hanging and a contemporary wreath plus fun Christmas gifts including coffee cosies, mug rugs and picture frames which are easy enough for the kids to make for friends or grandparents.

Make you Christmas cosy and bright with *Festive Felt*!
