### Description

Bring kids' bedroom décor to life with this collection of seven sensational animal rug designs, by popular crochet designer Ira Rott. Crocheters everywhere will love making these unique and quirky designs that kids will simply adore. The designs feature an amazing elephant, a sweet giraffe, a cuddly cat, a cheeky monkey, a sneaky crab, a friendly dinosaur and a rock-star panda, each with a coordinating pillow and accessory to crochet to continue the theme. With accessories ranging from security blankets to stool covers, bed book tidies, placemats and toy bags, this collection will feature over 20 animal-themed designs to crochet.

### About The Author

Ira Rott is a knitting and crochet designer based in Canada. She began learning her skill from her mother and grandmothers when she was in middle school. This wonderful tradition has been passed on from generation to generation in Ira's family, and has become her passion through design. She loves working with yarn and other fibres to express her ideas. She sells her designs through Etsy and Ravelry, and her own website. This is her first book.
