## Description

Learn to paint beautiful watercolour flowers in simple steps with this free and easy approach to watercolour painting for beginners. Marie Boudon's beautifully presented creative course will give you a good grounding in this new-to-you medium and teach you all you need to know to get started with painting flowers in watercolour. Find out about paper, brushes and paints, colour mixing, wet and dry techniques, blending and gradients, contrast and even how to digitise your work. Then learn to paint roses, peonies, carnations, dahlias, anemones, poppies, leaves, details and textures and how to bring all of these together into beautiful compositions which make lovely art pieces, journal pages, handmade stationery and greetings cards, inspirational quote frames, personalised gifts and more.

Whether you are looking to decorate your journal pages, create unique wall art, produce handmade greetings cards and stationery or make personalised gifts, this comprehensive guide will teach you all you need to succeed.

## About the Author

Marie Boudon is a completely self-taught artist and creative living in Paris, France. With an engineering background, she has built a program of online workshops under her own brand tribulationsdemarie.
