Description

Explore the world of micro crochet with this collection of 100 exquisite designs. Choose from a wide range of motifs including flowers, leaves & plants, fruit, triangles, granny squares, Christmas and even mini amigurumi. Talented designer, Steffi Glaves, shows how to create intricately detailed motifs using fine cotton quilting thread and a 0.5mm crochet hook. As well as the huge choice of motifs there are also ten projects showing how to use the motifs for jewellery including earrings, necklaces, pendants, pins and cufflinks.
