### Description

A year-long magical adventure with everything the modern witch needs to develop their witchy practice. Have you ever looked at a full moon on a clear winter night and shivered? Have you walked in an ancient forest or sat in a stone circle and felt a deep sense of peace and belonging? Do you wonder if there is more to life than the grind of the everyday? Do you believe in magic?

If the answers to any of these are yes, then you need witchcraft in your life. No longer tainted by notions of sorcery, hexes and cobwebs, witchcraft has been rediscovered by those of us yearning for re-enchantment.

This book will guide you through a year of magic. Based on the cycles of nature and guided by the seasons, it will give you the tools and know-how to unveil the magic that surrounds us. By celebrating the eight sabbats of the Wheel of the Year, you will work with nature to activate your hidden power. Witchcraft can attract love, give your career a boost, protect your home and help with healing. It will enrich your life.

Packed with information and inspiration, this book boosts well-being, self-worth and happiness by tapping into the healing power of nature, the cycle of the seasons, the pull of the moon, the wisdom of ancient trees and forgotten paths, and the spiritual rewards of creativity. It includes:

- Seasonal spells, remedies, rituals and affirmations that use the power of plants, herbs and stones to offer guidance and healing.
- Crystal gazing, dowsing, reading the Tarot, the magic of stone circles and folklore traditions, to increase knowledge and inspire curiosity.
- Creative projects with a witchy purpose that can be used in rituals and spells.

Whether you are a solitary hedge witch, part of a coven, a practising witch or an aspiring one, this book will furnish you with the vital knowledge to enrich your journey and to sprinkle magic and enchantment over every day.
