### Description

Crochet bright and beautiful clothes and accessories with this guide to the most exciting crochet colourwork techniques including intarsia, mosaic and tapestry crochet. Whether it's a sweater with a decorative yoke or a matching beanie and glove set in a Scandinavian-inspired design, this collection of crochet patterns shows that it's not just knitters who can make colourwork sweaters and accessories. There are step-by-step instructions and photography explaining all the different crochet techniques with detailed instructions about how to change colour, carrying floats and the importance of swatching and gauge.

The collection includes a number of garment construction techniques so you can build your crochet clothing skills. All of the garments are graded for nine different sizes, ranging from a size 32 inch bust up to a 64 inch bust, making them size inclusive and the accessories are graded from small to large so you can make one for everyone in the family.
