Description

Crochet a garden of kawaii happiness with this super-cute collection of 40 amigurumi patterns!

Let Melissa Bradley lead you down the garden path to discover a colourful world of crochet flowers, plants and garden creatures with this blooming marvellous book. You'll find step-by-step patterns for crochet tulips, roses, cacti, ferns and even little ladybugs and snails. This adorable collection of patterns will fill your world with everlasting flowers, without having to do any digging whatsoever.

As well as the patterns, Melissa explains the simple crochet techniques required for everything to come up roses. Alongside the flowers and plants, you'll spot cute bugs and gardening tools, brought to life kawaii-style, to create the ultimate garden-lovers collection.

This flowery collection is the perfect addition to any crochet and amigurumi lover's library!

About the Author

Melissa Bradley is the creator of Yarn Blossom Boutique, a crochet designer and colour enthusiast who has a love for all things handmade. She has a bachelor's degree in interior design and is a certified florist, but it was after the birth of her second child that she fell in love with a new medium of design, yarn. If she doesn't have a crochet hook in hand she can be found baking or out in the garden. Melissa lives in Utah, US with her husband and three children. You can find her patterns on Etsy, Ravelry, and LoveCrochet.
