### Description

**Crochet fantastic animal-themed blankets, pillows and more with this colourful collection of crochet animal blocks.**

Using simple crochet intarsia and appliqué techniques you can stitch one block for a pillow front, book bag or toy bag, join four for a lap throw, nine for a child's blanket or 16 for an adult blanket. Mix and match colours to create fun single animal-themed blankets, or mix them up for quirky multi-animal designs. There are so many variations the only limit is your imagination.

Following on from Ira Rott's best-selling books *Crochet Animal Rugs* and *Crochet Animal Slippers*, this new collection will allow you to pair your favourite rugs and slippers with matching blankets too! The book features 16 main animal block designs for a panda, cat, dog, fox, raccoon, penguin, pig, sheep, koala, sloth, lion, hippo, cow, unicorn, bunny, and monkey – plus additional ideas for using different parts of the patterns to create some new animals such as a bear and a horse. Many of the designs feature 3D elements including ears, fur, flowers, and bows, which give the blankets a lovely tactile quality.

The blocks can be pieced together and left with no border, alternatively, instructions are included to add a granny square border or a fancier lace shells border. Featuring in-depth advice on all the crochet techniques and making-up techniques, this comprehensive guide is beginner friendly and so much fun.
