### Key Selling Points

- Drawing cute pictures is a simple activity that promises hours of fun
- Easy step-by-step sequences for 80 different designs, in 5-7 steps making the book super accessible to the young and the young at heart
- Lovely package with gloss lamination and shimmering foil finish.

### Description

#### Learn to draw the cutest kawaii pictures in easy-to-follow steps!

Kawaii is a Japanese term that means adorable or cute. In drawing, it describes a simplified style with rounded shapes, representing characters, animals, food, or any object that has a cute, childlike look. In this fun and colourful book, young (and young-at-heart) artists can unlock the secrets of kawaii drawing, from getting the right proportions to creating personality with different facial expressions and adding depth with layers of colour.

Once you've learned the basic tips of how to draw kawaii style, there are 80 step-by-step sequences showing you exactly how to draw a wide range of cute pictures, starting with simple shapes and progressing to add details and colours. At each step, the part to be traced is indicated in blue. The part drawn in the previous step appears in black, while dotted lines mean you have to erase these parts for the final drawing. Each sequence is entirely visual, with no complicated instructions to read, so it really is easy to create your own kawaii drawings straight away. All you need is paper and some pens!

Split into 4 sweet sections, the tutorials cover food and drink, cats and kittens, unicorns and other adorable animals, and cute characters, with simple step-by-steps. This adorable value-packed book will provide hours of fun, creativity and, of course, cuteness!

### About the Author

Mayumi Jezewski is an artist, comic book editor and author of numerous books on the subject of drawing and origami. She is of Polish-Filipino origin and lives in France.

# CONTENTS

## The book cover features a vibrant pink background. On the left side, there is a vertical strip filled with numerous small, colorful kawaii-style illustrations such as a rocket ship, a globe, a hot air balloon, a cat, a girl's face, a watermelon slice, a hamburger, a panda, and various other cute objects. The title "365 DAYS OF KAWAII" is prominently displayed in white and teal text. Below the title, it says "HEIDI PITLOR AND SHELI COHEN DRAW THE CUTE". At the bottom, a pink banner contains the text "EACH DAY-OF-CUT DRAWING" and "WITH A GUIDE".
