## Main Description

A completely irresistible collection of knitting patterns for utterly cute baby clothes. These patterns will give great delight both to the knitter and to all who see the results on tiny new babies. There are booties that look like little strawberries, a baby bonnet in the shape of a crinoline skirt, a bumblebee set of hat and mitts and a cosy cot blanket that looks like a field of daisies. Hats, booties, mitts, little coats and dresses: none of the patterns are complicated and many are suitable for complete beginners. As well as cute clothes there are accessories for the nursery including a snuggly pram blanket, colourful applique sleeping bag and a gorgeous knitted mobile. Created with adorable newborns in mind, many of the projects can also be made to fit babies from 3 to 9 months. ## Author

Val Pierce's passion for knitting began when her father taught her to knit at the age of five. Later in life she began home knitting for yarn manufacturers, and since then she has made a huge range of items, from evening dresses to teddy bears. She later began designing items of her own, and before long Val's designs were appearing regularly in national knitting and crochet magazines. She also teaches knitting, as well as a range of other needlecrafts, to both adults and children.
