- Suitable for complete novices with instructions on how to progress from basic shapes to combining needle and wet felting.

### Description

Learn to needle felt with this inspirational beginner's guide!

Learn everything you need to know about needle felting from building simple shapes to sculpting your own seasonal creations. The book introduces you to the history of the craft, what you'll need to build your own needle felting starter kit and all the techniques you'll need to create some crafty critters.

Each subject and technique is supported with step-by-step instructions and photographs to turn complete novices into needle felting masters in no time at all!

### About the Author

Linda Calver is lucky enough to live in the beautiful Suffolk countryside surrounded by her family, various animals and wildlife, all of which gives her inspiration for her felting. She went to a needle felting workshop and was immediately hooked. She now both needle felts and wet felts and runs workshops locally.
