Key Selling Points

- This book is an introduction to the delicate art of paper craft
- Learn how to recreate nature's wonders with 20 beautifully illustrated step-by-step floral projects
- Take a slow, gentle and mindful approach to a new found hobby
- Turn your paper creations into accessories and other decorative ideas.

Description

Whatever your background, lifestyle or commitments, this book contains projects to nurture your personal skill set. Step-by-step instructions and inspiring illustrations will guide you through the process from start to finish.

Paper crafting is an accessible hobby that can be easily practised at home by everyone of all ages. Whether you're looking for a rewarding activity to share with your children, or something to help you unwind after a long day at work, paper flower crafting is a perfect choice.

Use your newfound skills to create your own decorations for display or pleasure, and discover the wonder of nature in all its glorious detail by paying special attention to the colouring, textures and intricate details of your projects.

About the Author

Sophie Longhurst was raised in Whitby on the North Yorkshire coast, UK. Born into a successful entrepreneurial family, it wasn't long before she was to follow her own calling and established a floristry business, Ginger & Flynn, whose name was inspired after one of her sons and her ginger hair! Sophie lives with her husband Andy, and four boys, Hughie, Flynn, Samson and Kit. Sophie's home is her workplace, and being tucked away in the North York Moors surrounded by nature deeply inspires her work and everyday creativity.
