## Description

For every quilter the time comes when they want to make their entire quilt from start to finish. Pattern and fabric selection, piecing and then the actual quilting. Quilting is the icing on the cake, the finishing touch to the design. *Machine Quilting for Beginners* is the must have book for any quilter wanting to learn how to master the art of machine quilting on their domestic machine. This book takes the quilter through the equipment needed, how to set up their machine to start and has exercises laid out from the necessary skills to start and progressively adds skills to ensure success.

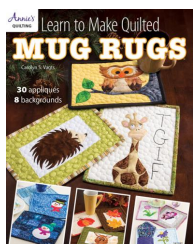

## Key Selling Points

- Another must-have book from the editor of *Quilter's World* magazine
- Shop-owners can build classes around the easy to follow step-by-step skill building exercises
- Perfect for the busy quilter who wants to learn the skill of free-motion quilting at home

## About The Author

Carolyn S. Vagts is a wife, mother, grandmother, quilt designer and the editor of *Quilter's World*. She also has a successful quilt shop in Lake Orion, Mich. Carolyn has made a name for herself in the quilting world with her award-winning techniques of mixing traditional piecing with fusible-art appliqué. Carolyn's designs have been published regularly in several magazines, including *Quilter's World*. She is the author of *Learn to Quilt From Start to Finish*, *I Can Quilt*, *Learn to Make Quilted Mug Rugs* and *Learn to Quilt with Panels*. She also lectures and teaches workshops to guilds.
