## Description

In this significantly updated edition, crocheters will find answers to all of their questions about their craft. Find the answers to 'I've never followed a pattern before. Where do I begin?' 'How do I crochet cables?' or 'How do I decrease a stitch?' They'll also find bonus features, such as illustrations for left handed crocheters; additional reference material, including internet resources; a larger section on unusual techniques like Tunisian crochet; and new questions on broomstick lace, linked stitches, crochet cables, and more. Crocheters of all levels will love having Edie Eckman's expert answers handy as they work on all of their projects.

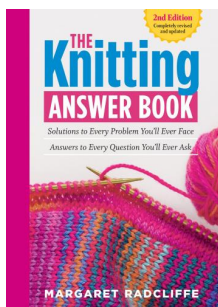

## Key Selling Points

- When you have a question, use this book as a primary source or simply visit it from time to time when you have a spare moment
- Many of the new questions and answers in this edition have come directly from reader and student questions
