## Description

Make twenty twinning outfits, accessories, and quilts for girls and their eighteen-inch dolls! Each project comes in two versions: doll size and child's size (kid sizes 5–12 years). Get the best possible fit by self-drafting some of the garment patterns—a helpful skill to learn as your children grow. Kids love being able to match their dolls, and now you can customise over twenty darling dresses, bags, skirts, tops, headbands, and more.
