### Description

Add warmth and texture to your home with wool appliqué. Sewing in the popular folk-art style, you'll stitch fifteen projects, including thirteen heirloom-worthy table mats and two versions of an Advent calendar, on a cotton or wool base. Learn how reverse appliqué brings depth and colour to your handwork without the bulk of additional layers. This guide offers advice on choosing and using wool (even scraps!), plus valuable techniques and tips for wool hand stitchers.

### About the Author

Mary A. Blythe loves heirloom crafts, rug hooking, cross-stitch, penny rugs, and knitting. From 2006 to 2011, she operated The Woolen Needle quilt shop, and today she spends time with family, travelling, and designing patterns. She lives in Iowa, USA.
