## Description

Print, paint, stamp, and stitch... it's never been so fun to design as it is with kraft-tex! Discover the incredibly durable paper that looks, feels, and wears like leather, but sews just like fabric. Modern designers share twelve clever kraft-tex projects plus six bonus ideas, from bags and wallets to coasters and embroidered bracelets. Whether or not they've used kraft-tex before, mixed-media artists and craft sewists will love its creative versatility.
