#### Description

Wait until you get your hands on the rugged paper that looks, feels, and wears like leather, but sews, cuts, and washes just like fabric—now in sophisticated new colours: sapphire, emerald, and crimson! kraft-tex Designer is supple and easy to sew with, yet strong enough to use for projects that get tough wear. And with its lovely crinkles and hand-dyed finish, it will bring an exciting new texture and colour to your craft-sewing projects and mixed-media arts.
