Description

Wait until you get your hands on the rugged paper that looks, feels, and wears like leather, but sews, cuts, and washes like fabric—now in sophisticated Moss, Denim, Saffron, Linen, Emerald, Crimson, and Sapphire! kraft-tex® Designer is supple, yet strong enough to use for projects that get tough wear. You can sew it, stamp it, draw on it, fold it and inkjet print it. The 8½" × 11" (216 x 280mm) sheets are perfect for adding embellishments or making smaller projects. This sumptuous surface is prewashed, pre-shunk, eco-friendly, tear-resistant, and so much more.
