Description

This heavy-duty and spacious bag will become your new go-to carryall. It features the Supernova quilt from Singular Stars by internationally known and well-loved quilter Judy Martin. The environmentally conscious tote is made from recycled water bottles, also making it water-resistant. With double handles—one short, one long—you can carry it over your shoulder or on your arm as needed.

About the Author

Judy Martin has designed and published more original patterns than anyone in history and has made a four-decade career out of giving quilters everything they need to do their very best work. She and her family live in Iowa, USA. For more information visit www.judymartin.com.
