Description

Traditional quilt blocks are made up of common elements such as Flying Geese, Square-in-Squares, and Quarter-Square Triangles. Each of the elements can be constructed in a variety of ways—choose the ones that are easiest and most efficient! In this one book, you will find each method carefully broken down, explained, and illustrated, along with comprehensive sizing information. It's the ultimate no-maths, no-stress reference for all common quilt block elements!
