### Description

There is a lot to learn about weaving! As a new weaver, you might wonder what the next steps are to grow your skills. *Next Steps in Weaving* has the answers you're looking for. In the beautiful book by Pattie Graver, former Managing Editor of *Handwoven* magazine, you'll explore a variety of weave structures and concepts in depth and detail including twill, color-and-weave, overshot, summer and winter and lace. This is not just a book of weaving patterns. Each topic is explained and supplemented with instructions for weaving a sampler and a project in order to solidify the concepts and enable you to design your own projects. In addition, the book offers troubleshooting tips in order to expand your weaving expertise. Whether you're new to weaving, have the basics down, or are looking to improve your foundation skills, this book will be an asset to your weaving library.

"Pattie is a weaver who lives her passion. She sees weaving as being part of the essence of who we are...and therefore in many ways a birth-rite to us all, and one that she can share with us if we wish to follow her into the world of weaving." *The Textile Blog*
